Carey Yang

Computer Science student seeking the opportunity in Web Development and Software Engineering.

📞 **0438749820**　　　　@ **just.carey13@gmail.com**

📍 **36 Prince St, Randwick, Sydney 2031**

SKILLS

Git & Agile project management　　Linux　　MySQL

HTTP/Flask/API　　Web/Backend/Frontend

Algorithm Design & Analysis　　Data Structure

EXPERIENCE

AIAA DBF Student Project
AIAA Design Build Can Fly
📅 08/2021 - Ongoing　📍 UNSW

A student project in UNSW, which aim to design aircraft to support carrier operations.

- I am in Mission System team, which is responsible for the technical part of establishing how to support carrier operations, with the skill have learnt about conceptual design, coding to fulfill mechanisms, teamwork, etc.

UNSW Dream Student Project
A group work project for Software Engineering course
📅 02/2021 - 05/2021　📍 UNSW

Developing the backend for a software based on Microsoft Teams.

- My main job is to accomplish message and channel functionality, also to test and build the webserver. This project is written by python with the skill have learnt about backend development, which also involves git & agile project management.

Loop Mania Student Project
A group work project for Object-Oriented Design & Programming course
📅 05/2021 - 2021　📍 UNSW

Developing the backend & frontend for a game, whcih is based on Loop Hero.

- I am responsible for the character design and functionality implementation within the loop mania world between frontend and backend. This project is written in Java based on OOP design and also involves git & project management.
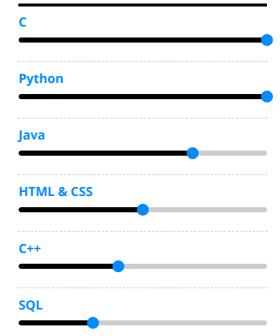

VDP student program
UNSW Engineering Society VDP Program
📅 10/2021　📍 UNSW

Equipping engineering students with the critical soft skills required to become a successful well-rounded engineer.

- Involve in a charity event (for Australian Cancer Research Foundation) where we apply the skills have learnt by organising and running a stall to raise awareness or funds for a charity.

PROGRAMMING

C

Python

Java

HTML & CSS

C++

SQL

EDUCATION

BSc in Computer Science
University of New South Wales
📅 09/2020 - Ongoing
📍 Sydney

GPA
7.8 / 10

STRENGTHS

💬 Oral and Wirtten Communication

✔️ Reliable and Cosistent

⭐ Committed to Lifelong Learning
